

## April is National Child Abuse Prevention Month

Children are our loved ones, our future and our joy as well as our responsibility. Not just the children born to us, but the children in our neighborhoods, our communities and our country. Children, our greatest natural resource, are our future leaders, future teachers, future scientists, future doctors and nurses and future parents.

### Join CRN's "CARE 4 Kids"

(Communities Aiding Relief Efforts for Kids)

Help raise awareness about child abuse and neglect and support children and families.
