# EVENT DETAILS

## WHAT:

Join us for the first annual "Iron Bartender" - an event to see who reigns supreme in the world of mixology.

Come watch as four of Portland's best mixologists compete to see whose mix reigns supreme! You will sample their original beverage creations and vote for your favorite. The winner becomes the master mixologist with the "signature drink" that will be featured in May at the CRN's 2009 Annual Iron Chef Event.

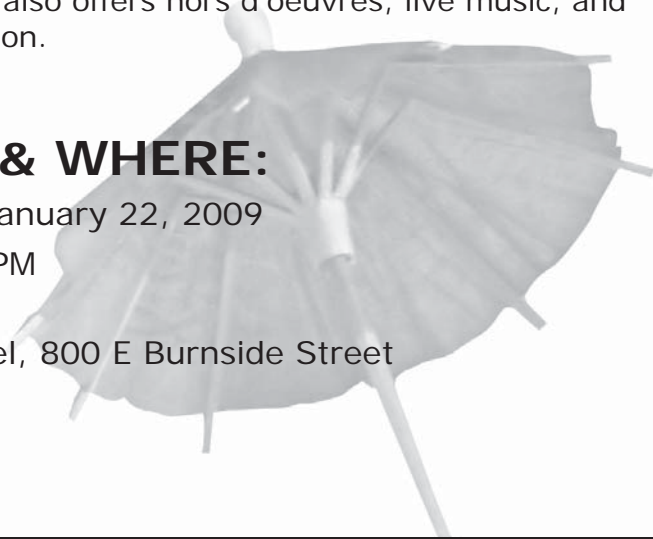

The evening also offers hors d'oeuvres, live music, and a silent auction.

## WHEN & WHERE:

# HOW IT WORKS

## OUR PROGRAM

We work with children in the first, most important years of life. Education for parents and relief for families under stress promote healthier solutions. By working with at-risk families in our community (at no cost), we have been providing a safety net for Portland's children since 2001.

Nurturing is the key to learning and emotional development. When parents and caregivers show responsive early care, children thrive. Parents in our program learn that fostering and reinforcing positive interactions with their baby greatly affects that child's later capacity for compassion, control over emotions, ability to learn and behavior. Quality care and secure attachments are the building blocks for healthy brain development.

*"My heart has always been tugged by the plight of children who are marginalized by their family situations. I began volunteering at CRN when it started in the basement of a church in north Portland. I was excited then and I'm still excited to be involved with this organization that is bringing rescue, healing, and support to our community's most vulnerable members. Over and over, I've witnessed the power of the therapeutic classroom to transform a young, wounded boy or girl into a smiling child with growing confidence and social skills."*

*~ Sandy Grubb, CRN Board Member*

## **Our Mission:**

To prevent abuse and neglect in children birth through four by partnering with caregivers committed to strengthening their families.
